About Data Protection: Because we handle personal information, we are legally obligated to protect that information. Specifically, we only collect information that we need for the recruitment process of the PersonalizeAF project, we are committed to keep it safe, and we only keep it as long as we need it, always allowing you to check what information we have by request. Your personal data will be sent to the institutions you request, in the scope of PersonalizeAF project. We also inform you that you can request access, elimination, rectification, opposition, portability to your data by sending a request to personalizeAF@itaca.upv.es. All this according to the Regulation (EU) 2016/679 of the European Parliament and the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data.

This Project has received funding from the European Union's Horizon research and innovation programme under the Marie Curie Skłodowska-Curie grant agreement No. 860974
