Subject : Endorsement of the « European Charter for researchers and the code of conduct for the recruitment of researchers » and HRS4R process by Université Lumière Lyon 2

Dear Sir, Dear Madam,

The Université Lumière Lyon 2 represented by its President Professor Nathalie Dompnier wishes to express its formal commitment to support the « European Charter for researchers and the code of conduct for the recruitment of researchers ».

Université Lumière Lyon 2 is a multidisciplinary university of Humanities and Social Sciences, a founder member of the federal "Université de Lyon". Created in 1973, the university has an internationally renowned research focus across all of its disciplines, a commitment to innovative educational practices and a wide network of international partners.

We accept the general values, principles and requirements of the European Charter and Code and are committed to carry out the necessary steps of this evaluation process in our institution. We thereby wish to contribute towards an European Research Area with a Human Resources strategy for Research (HRS4R) that supports excellence in research.

With best regards,

President Professor,

Nathalie DOMPNIER
