Declaration of Commitment

to the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

The Institute for the History of Science hereby declares its commitment to implement the principles of the Charter and Code via the Human Resources Strategy for Researchers (HRS4R). It commits to start the procedure and then to undergo all subsequent cycles of its implementation.

By implementing the Charter and the Code, the Institute for the History of Science, PAS, intends to foster international collaboration and to contribute to the development of an open and attractive European labour market for researchers.
