The Principles of the European Commission's Recommendation

"The European Charter for Researchers"

"The Code of Conduct for the Recruitment of Researchers"

The Academy of Sciences of Albania, represented by vice President, Academician Prof. Dr. Gudar Beqiraj, welcomes and fully supports the initiative of the European Commission and the recommendations given in *The European Charter for Researchers* and *The Code of Conduct for the Recruitment of Researchers*".

The Academy of Sciences of Albania coordinates, supports and encourages the scientific research of its members and at a national level, especially young researchers; it cooperates with other scientific public and private institutions and centers inside the country to perform studies in different fields of the sciences.

The Academy of Sciences will invite the scientific community to implement the principles of the European Charter and Code. Our institution will disseminate and promote this principles to its members and especially among those persons and groups involved in the recruitment of future researchers. These documentations will help to achieve a successful integration in the scientific world.

Signed in Tirana,

29 October 2014

VICE PRESIDENT

Acad. Prof. Dr. Gudar Beqiraj
