

**Declaration of commitment to the Principles of the European
Commission's recommendation
"The European Charter for Researchers and the Code of Conduct for
the Recruitment of Researchers"**

Barcelona, the 15th of July 2013

Carles Fradera Riera, representing the **Fundació Privada Barcelona Digital Centre Tecnològic**, declares to be in absolute agreement with the *European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers* as it is laid out in European Commission's recommendation of 11th March 2005 (EUR21260/2005).

Several of the principles of the Charter and Code are already implemented at the Fundació Privada Barcelona Digital Centre Tecnològic, while others are presently being developed will be addressed in the near future. By signing the principles of the above Recommendation, Barcelona Digital commits and expresses its intention to engage in this transnational effort to improve the conditions for researchers across Europe, contributing in this way not only to a favourable research environment within our Foundation itself but also to an attractive European Research Area.
