

Declaration of Commitment of BarbelonaBeta Brain Research Center, the research institute of the Pasqual Maragall Foundation, to the principles of "The European Charter for Researchers" and "The code of conduct for the recruitment of researchers"

The BarcelonaBeta Brain Research Center (BBRC), the research institute of the Pasqual Maragall Foundation, welcomes and supports the recommendation of the European Commission 2005/251/EC on both "The European Charter for Researchers" and "The code of conduct for the recruitment of researchers".

In accordance with its internal policies and within its legal boundaries, the BBRC hereby commits itself to follow the stated principles via its Human Resources Policies for researchers and to guaranteeing transparency, accessibility, equity and the pursuit of excellence in the recruitment of researchers.

By adhering to these recommendations, the BBRC reinforces its efforts to create an adequate framework for researchers, helping them to develop their careers, and at the same time contributes to the development of the European Research Area.
