Re: Declaration of Commitment to the principles of the European Commission's Recommendation "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers"

Dear Chairman,

Dundalk Institute of Technology (DkIT) welcomes the initiative of the European Commission reflected in the Commission's Recommendation of the 11th March 2005 "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers".

DkIT hereby declares its commitment to the principles laid down in the Recommendation. By signing up to the principles of the recommendation, DkIT confirms its intention to continue to engage in the transnational effort to improve conditions for researchers throughout Europe, promote elements that make research and attractive career, and work to enhance the quality of research and innovation by facilitation of international collaboration and transnational, interdisciplinary and intersectoral mobility of researchers.
