To the
European Commission

**Commitment of the Universitaet Klagenfurt
to
"The European Charter for Researchers"
and
"The Code of Conduct for the Recruitment of Researchers"**

The Universitaet Klagenfurt, represented by its Vice-Rector for Research, O. Univ.-Prof. MMag. Dr. Jutta Menschik-Bendele, welcomes and fully supports the initiative of the European Commission and the recommendations given in the "European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers".

Several of the general principles proposed in the Charter and in the Code are already common practice at the Universitaet Klagenfurt. The Universitaet Klagenfurt has already developed her own internal guideline "Code of Conduct of the Universitaet Klagenfurt", which is in accordance with the Charter and the Code.

For the Universitaet Klagenfurt, the elements of the Charter and the Code are basic rules to support the work of researchers and to maintain the high quality of research. The Universitaet Klagenfurt will disseminate and promote the Charter and the Code to its members and researchers and especially among those persons and groups who are involved in the recruitment of future researchers.
