**Declaration of Commitment to the Principles of the European Commissions's Recommendation "The European Charter for Researchers" and The Code of Conduct for the Recruitment of Researchers"**

Bifröst University welcomes the initiative of the European Commission reflected in the Commission's Recommendation of 11 March 2005 "The European Charter for Researchers" and The Code of Conduct for the Recruitment of Researchers".

Bifröst University supports the principles laid down in the Recommendation and is committed to upholding these principles in its own conduct.

By signing up to the principles of the Recommendation Bifröst University expresses its intention to engage in the transnational effort to improve the conditions for researchers throughout Europe, promote elements that make research an attractive career, and work to enhance the quality of research and innovation by facilitating international collaboration and transnational interdisciplinary and intersectorial mobility of researchers.

Reykjavík, 4 May 2007
