Declaration of support for the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

The Institute of Plant Genetics of the Polish Academy of Sciences (IPG PAS), represented by Director Professor Bogdan Wolko welcomes and fully supports the Recommendation of the European Commission 2005/251/EC on "The European Charter for Researchers" and "The Code of Conduct for the Recruitment of Researchers" (hereinafter referred as The Charter and The Code).

By endorsing the Charter and the Code, IPG PAS recognises the value of their principles and voluntarily commits itself to apply them.

The principles of the Charter and the Code are in line with IPG PAS policy aiming to increase Institute's attractiveness to researchers by offering them a favourable working environment, enhancing the quality of research and innovation and boosting international mobility.

By implementing the Charter and the Code IPG PAS intends to foster international collaboration and contribute to the development of an open and attractive European labour market for researchers.

Sincerely yours,

DYREKTOR INSTYTUTU
