The events “ERA Mobility and Career Days”

The "Career Talk" events

In the framework of Work Package 2 “ERA Mobility and Career Days Organization” four events were organized in four different geographical regions following the purposes of the Task 2.1. “Career Day –Career Talks”.

More specifically, the beneficiaries of the project organized the four events aiming to raise the awareness of young researchers on career opportunities and new prospects, in the area of research, through inspiring speeches-presentations delivered by experienced researchers representing different sectors and areas of expertise. The “Career Talks” events were part of the “CAREER DAYS “events that every beneficiary had to organize in the geographical area of responsibility.

Aristotle University of Thessaloniki (AUTH)

The first “Career Talks” event was organized by the Aristotle University of Thessaloniki (AUTH) on November 9th 2017 as part of the “Career Researchers Day” event at the Aristotle University Research Dissemination Center (KEDEA).

Democritus University of Thrace (DUTH)

The second “Career Talks” event took place on October 5th 2018, in Xanthi at the Democritus University of Thrace.

University of Ioannina (UoI)

The third “Career Talks” event took place on the 8th of November 2018 at the Conference Centre “Karolos Papoulias” of the University of Ioannina.

National Hellenic Research Foundation (NHRF)

The last “Career Talks” event took place on the 28th of November 2018 in Athens, at the National Hellenic Research Foundation (NHRF).

The "Career Days" events

Main objective of the project "ERA Mobility and Researchers Career Days" was to organize "Career Day" events in Central Macedonia, Epirus, Thrace (in North Greece) and in the region of Attica (South Greece). The purpose of the "Career Day" events were to directly link the last year students, graduates and early stage researchers of the participate organizations, 3 Universities (Aristotle University of Thessaloniki, Democritus University of Thrace, University of Ioannina) and 1 Research Organization (National Hellenic Research Foundation) with the labor market and more specifically to bring together researchers with industries and facilitate the matchmaking between young researchers and industries by organizing personalized interviews.
